**FADE IN:**

**EXT. COOLSVILLE, OHIO - SKYLINE**

ESTABLISHING SHOT of the small town. It's raining. Pouring. The roads are covered in murky water, shielding the possible beauties that lie beneath them.

**COOLSVILLE 1988** comes across.

CUT TO:

**EXT. COOLSVILLE, OHIO - DOWNTOWN**

Buildings are destroyed -- shattered windows and weakening wood. Cars are floating around in the water.

CUT TO:

**INT. BUILDING - DOWNTOWN**

A family sits huddled in the corner, crying. Shaking.

Water suddenly rushes through the windows, glass flying in all directions.

The family screams as the water overtakes them.

CUT TO:

**EXT. COOLSVILLE, OHIO - SKYLINE**

PULL AWAY from the destroyed town, water rushing through, covering anything in it's path. *Cracks*, and metal clanging against metal are barely audible over the water.

The liquid begins moving at an incredible pace.

**BLACKOUT.**

**FADE IN:**

**EXT. COOLSVILLE HIGH - MORNING**

**COOLSVILLE 2012.**

STUDENTS hang around the outside of the school, talking. Laughing. Having fun.

The QUAD.

Some sit at tables; some stand around; some just sit in the grass around.

FLASH BETWEEN several shots. Teenagers. Four of them --

-- DAPHNE BLAKE, she walks with arrogance in her step.

-- FRED JONES, he throws a football to his friend.

-- VELMA DINKLEY, she works away at her scientific contraption.

-- SHAGGY ROGERS, he sits at his desk, awkwardly slouching.

CUT TO:

**EXT. COOLSVILLE HIGH - MORNING - LATER**

Daphne stands in front of Fred, her eyes gazing at his sculpted face.

DAPHNE

Hey, Fred! So, um, are you going to my 'Back-To-School" party tonight?

FRED

I didn't know you were having a party.

Daphne *SNAPS*, and Rebecca, one of her minions, digs a FLYER out of her bag, handing it to Daphne, who hands it to Fred.

DAPHNE

It starts at seven. I hope to see you there.

CUT TO:

**INT. COOLSVILLE HIGH - MORNING - LATER**

Daphne sits in front of Velma, who stares at her, confused.

VELMA

Can I help you with something?

DAPHNE

I need someone to show up so my mom actually thinks it's an "appropriate party".

FLASH TO:

**INT. COOLSVILLE HIGH - CLASSROOM**

Velma stares at Shaggy, sympathetically, as he collects his books from the ground.

DAPHNE (CONT'D) (V.O)

It starts at seven. You can bring anyone you like. Not that there is anyone.

CUT TO:

**EXT. WOODS - NIGHT**

Daphne, Fred, Velma and Shaggy all stand together in the woods, Daphne looking like she wants to kill Velma.

*SNAP, SNAP, SNAP.*

All four of them dart their heads in the direction of the sound.

A FIGURE suddenly emerges from the woods, a ways away. Darkness shields their features, but it's obvious it's carrying a long, plank-like object.

The four grow confused.

VELMA

Who is that?

Fred directs his attention towards the figure.

FRED

Hey! Buddy! Keep on walking!

The figure drops their object. It doesn't move.

The figure slowly begins to walk towards them, speed growing with each step. It pulls an object out. A KNIFE.

SHAGGY

Oh my God!!

FRED

Run!!

CUT TO:

**INT. ABANDONED HOUSE**

Darkness. The only source of light coming the moon shining through the shattered windows.

FRED (CONT'D)

Shh.

They all creep along, the floorboards feeling the need to echo their movement.

A *CAKTLING* fills the room. From where, is unknown.

SHAGGY

*WHAT IS THAT?!*

They all grow confused and scared.

Velma begins to go down the back hallway -- the source of the mad laugh.

DAPHNE

What are you doing?!

VELMA

Shh!

She continues to creep down the dark hallway, until she suddenly *STOPS*. Something blocks her path. Two of them.

They're see through. White. Blinding. *Cackling*. Their shape and appearance are undefined, but they float above the ground, their 'bodies' constantly swirling.

*GHOSTS*.

**BLACKOUT.**

OVER BLACK -- Everyone screams in terror, the ghosts cackling like mad.
