FADE TO:

ALEX, ALISHA, DAVID, and ROSE stand around, blue and red flashing lights bouncing off their faces. They turn to see something off-screen, their faces indifferent.

FADE TO:

## THEY MIGHT HAVE SUCCESS...

SMASH TO:

CUT TO:

ALEX and ALISHA walk.

ALEX

We did it, Alisha. We're in a  
*movie*.

ALISHA

(playfully)

What, you didn't think we could?

ALEX

Well, I mean, I thought you would  
hold me back, but...

ALISHA playfully punches ALEX in the arm, both of them laughing.

SMASH TO:

## BUT IN HOLLYWOOD...

CUT TO:

MIA leans over, getting face-to-face with ALISHA.

MIA

Here's the thing, sweetheart, you think just because you've got a minor role in a movie, you're hot stuff?

(chuckling)

Pfft. Please. You haven't even begun to know what this business is about.

ALISHA stares back, showing no sign of weakness.

CUT TO:

MICHAEL stares at his cellphone in his hand.

MICHAEL

Alex?

(beat)

Alex?!

SMASH TO:

## NOTHING STAYS GOOD FOR LONG

CUT TO:

ROSE sits in front of her vanity, her mascara smeared from her tears. She rubs a towel across her face, wiping the rest of her make-up off.

CUT TO:

DAVID walks away from ALISHA, who attempts to catch up.

ALISHA

David.

ALISHA goes to grab for his hand, but he yanks away.

DAVID

Leave me alone, Alisha!

ALISHA

But, David --

DAVID

Leave me alone!

DAVID yanks away once more and walks.

CUT TO:

MIA stands in front of ROBBIE, a smirk on her face.

MIA

So, it's a deal?

ROBBIE

Yep.

MIA extends her hand, and, in reply, ROBBIE shakes it.

SMASH TO:

## AND IF YOU THOUGHT LAST SEQUENCE WAS CRAZY...

CUT TO:

PAULA enters a room and awaiting her is her mother, SAVANNAH.

Mom, are -- are you okay?

JUDY walks in behind her, wrapping her arm around her sister's elbow.

JUDY

Aw, look, it's a Smith family  
reunion.

CUT TO:

ALEX and ALISHA run down a hallway and stop once --

*BANG!*

SMASH TO:
