FADE IN:

Most buildings are closed at this hour. The only things being open are bars and nightclubs. The streetlights are our only source of light to see our laser-eyed teenager, JANICE KNOX, walking home, talking on her cellphone.

JANICE

Mom -- Mom -- Mom I'm on my way! I got stuck at the library with Lucy. I'll be home as soon as I can.

We follow her, until we hear a MAN scream for his life. We TURN AROUND with Janice as she faces the direction the scream came from. The man heard screaming comes rushing towards Janice. His face is covered with cuts. He grabs her for help.

MAN

(scared)

Please, please, please! She's after me!

JANICE

Hold on. Who's she?

We begin to hear heels clunking against the sidewalk. Someone's coming to them. To get the screaming man.

CUT TO:

Red mist enters screen and seeps into the man's nose and mouth. He struggles for oxygen and grasps his throat. He falls to his knees and dies.

JANICE (O.S)

Oh my God!!

TURN TO Janice, who just witnessed the poor man's fate.

JANICE (CONT'D)

(to Upsville Killer) You killed him!

The Upsville Killer, still in the shadows, lets out a slight chuckle of amusement.

UPSVILLE KILLER

I'm a killer. That's what I do.

CUT TO:

Detective Ashlock stands on the welcome mat in front of the Knox Family's front door.

SARA
Detective Ashlock?

DET. ASHLOCK
Hello. I need to speak with you
three about Janice.
(beat)
We found her cellphone near a dead
man's body.

SARA
What?!

CUT TO:

DING. Everyone turns to Dr. Uucsio's elevator. *TURN AROUND*
to see elevator door slide open. Out steps a teenage girl
with long dark hair and olive skin. *TIGHT ON* her face to
show her eyes, black.

DR. UUCSIO
Excuse me, ma'am, but you're going
to have to make an --

The girl lifts her hand out and chokes Dr. Uucsio, who's
standing on the other side of the room. His neck follows her
hand as she slings him across the room into a stack of boxes
filled with folders and papers.

MRS. UUCSIO
Geoffrey!!

GIRL
(demonic; to Sara and Clark)
Your sister's life will end unless
you give her your powers.

CUT TO:

The Upsville Killer, shielded by the shadows, points a dim
glowing stick.

UPSVILLE KILLER
I don't have time to give a lesson!
(beat; to Janice)
Kill...
(points to Clark and Sara)
Them...

Janice's eyes immediately turn pure black. She yanks the
chains restraining her off the ceiling.

SARA
(scared)

No.

Janice turns to Clark, who goes for a punch, but is blocked by Janice's forearm. She flips him over her shoulder and kicks him away.

Janice picks Sara up by the throat. Sara struggles for her breath.

BLACKOUT.

DET. ASHLOCK (OVER BLACK)
What the hell happened here?
