Suddenly FRANK WILSON runs up behind Janice, and covers her eyes with his hands, which changes her mood instantly. She grabs his hands and spins him around, coming face to face.

FRANK

JANICE

Hey, yourself.

Their lips connect passionately for a few BEATS, and the slowly detach. They interlock their fingers and continue their trek down the sidewalk.

SARA

Okay, if you two love birds are done,
can we please go home?

JANICE

Only if the princess is down waving at
her eligible princes.

Sara's eyes swell up.

SARA

Well, I hope you're happy.

Sara walks off, letting us STAY ON Janice, Frank and Clark. Clark, fury in his eyes, looks towards Janice.

CLARK

Why? Why would you say that? One day.
You couldn't stop arguing with her for
one day.
