

THE SUPER TEENS

SEASON TWO - OFFICIAL TRAILER

FADE IN:

BLACK. Nothing else.

But a WHIMPERING fills out ears. Scared. No, terrified.

CRANK. A door suddenly OPENS, letting light FLOOD inside. And the person whimpering is revealed --

DEBBIE KNOX.

She cowers, curled into a ball. She looks awful. Dirty. Like she hasn't bathed in several days.

SWISH PAN. ALEXANDER. He stands in the doorway, smiling.

ALEXANDER

It's time.

DEBBIE

Time... for what?

CUT TO:

ALEXANDER leads DEBBIE down a silver hallway. DEBBIE folds her arms, fear in her eyes.

JANICE (V.O.)

You don't really think that it could be them again, do you?

CLARK (V.O.)

We've been saying that for two weeks... We can't be sure.

JANICE (V.O.)

Well something had to have happened! She didn't just decide to disappear!

They stop by a door. ALEXANDER opens it as we --

SMASH TO:

THIS SEASON

FADE INTO:

THE KNOX TRIPLETS sit around in their living room.

SARA

But we've been looking for clues,
and we haven't found anything.

JANICE

Chosen leaves no clues, we know
that.

SARA

Maybe we should... Maybe we should
go and talk to the Uucsio's.

CLARK

We've shut them out. We've shut
everybody out. The press literally
hangs out in our front yard.

CUT TO:

DR. UUCSIO types away at his SUPERCOMPUTER. JANE DOE sits at
the DESK, doing the exact same thing on the LAPTOP.

BEEP, BEEP, BEEP.

Dr. Uucsio lets out a frustrated SIGH and runs his hands
through his hair.

BEEP, BEEP, BEEP.

Jane does the same.

JANE DOE

Geoffrey, I... I think we need to
accept that... That they took her
again.

DR. UUCSIO

But it's not the same MO. They
didn't send a letter.

JANE DOE

But there are no other explanations
to this.

CUT TO:

DEBBIE stands in a room. ALEXANDER stands behind her, as seen
through a doorway.

ALEXANDER

We'll pick this up tomorrow.

The door suddenly CLOSES. DARKNESS.

SMASH TO:

THE SEARCH

CUT TO:

FRED and LUCY go soaring through a window. The glass SHATTERS and rains down in a million pieces.

CUT TO:

DET. ASHLOCK and KATRINA fall to the floor as they wrestle over a pistol.

CUT TO:

JANICE jumps back from the FLAMES that are produced right in front of her.

CUT TO:

HOLT holds SARA by her hips, their lips attached. They continue to kiss as they push themselves against the wall.

CUT TO:

SARA, underwater, flails her arms left and right, attempting to break the surface of the crystal blue around her.

CUT TO:

Walking up to a window, RYAN stares out into the city of Upsville, horrified by what he witnesses.

SMASH TO:

IS ON

JANICE, CLARK, and SARA stand around one another, somber expressions on all of them.

JANICE

Sometimes I wonder what it would be like if we never got these powers.

CLARK

We just can't think like that. Not now.

CUT TO:

SHELA, tears running down her face, sits across from DEBBIE.

SHELA

It's not *fair*, Debbie. They... took our lives away. I -- I had dreams, plans, someone who *loved me*.

(beat)

We have to get out of here.

CUT TO:

DR. UUCSIO, his hands shielding his eyes, begins to walk around a room covered in green GAS. He's disoriented.

CUT TO:

KATRINA DONOVAN struts her way in front of MRS. UUCSIO, both woman's faces marked with fury.

KATRINA stops moving. Her image begins to SHIMMER and her CLONES separate off.

KATRINA

Now is the time when you would run.

MRS. UUCSIO stares back, not backing down.

CUT TO:

ELLIE, her eyes a deep, crystal blue, smirks. With one hand on her hip, she throws the other out, clenching it into a fist.

WATER suddenly BURSTS from the pipes above her and it SHOOTS towards the people in front of her - THE KNOX TRIPLETS.

CUT TO:

An ASSASSIN, MICHELLE, points her gun at CLARK, who has his arms raised.

CLARK

Why do you work for them? For Chosen?

MICHELLE

Because they work for what's good.
They're trying to preserve the
power, not exploit it and use it
for their own person gain.

(beat)

They're helping.

SMASH TO:

AND SECRETS

CUT TO:

SARA, a blank expression, SMASHES a can of soda over JANICE'S head, knocking her sister over.

DR. UUCSIO

Oh my God...

CUT TO:

JANE DOE clutches her stomach and falls to the floor, tears pouring out of her eyes and a pained expression on her face.

NOOOOOOO!!

CLARK (V.O.)

It was you. How could you...

He is quickly HIT across the head with a blunt object.

SMASH TO:

WILL BE REVEALED

CUT TO:

JANICE and SARA fall into CLARK's arms, all three of them crying their eyes out. Clark cradles his sister as they all sink to the floor.

CLARK (O.S.)
You work for Chosen.

SMASH TO **BLACK**.

FADE IN:

SARA pushes the tip of a KNIFE into her wrist.

SARA
Ow, ow, ow, ow, ow.

She digs it a little deeper, but quickly throws it on the floor, her face showing immense pain.

SARA (CONT'D)
Ow, crap that hurts!

CLARK
And what did you expect again...?

SARA
I give mad props to the witches on Charmed. Holy hell, ow.
